LISA Message - Bounce for Books

Thank you to all who took part either in-person or online in our recent RfP Parent Workshop on World Book Day. At the in-person event we shared a two-minute clip outlining the context of the RfP initiative (and featuring our school as an example of good practice!) - please click on the link below to take a look:

Medication in School

A reminder that pupils should not bring non-prescription medication into school as part of any medical condition. The school, however, is able to administer prescription medication to pupils in certain situations if administration of the prescribed medication on 4 occasions each day is needed – please speak to a member of our administration team for more information if required.
