

We created a rocket using 3D shapes during independent learning.

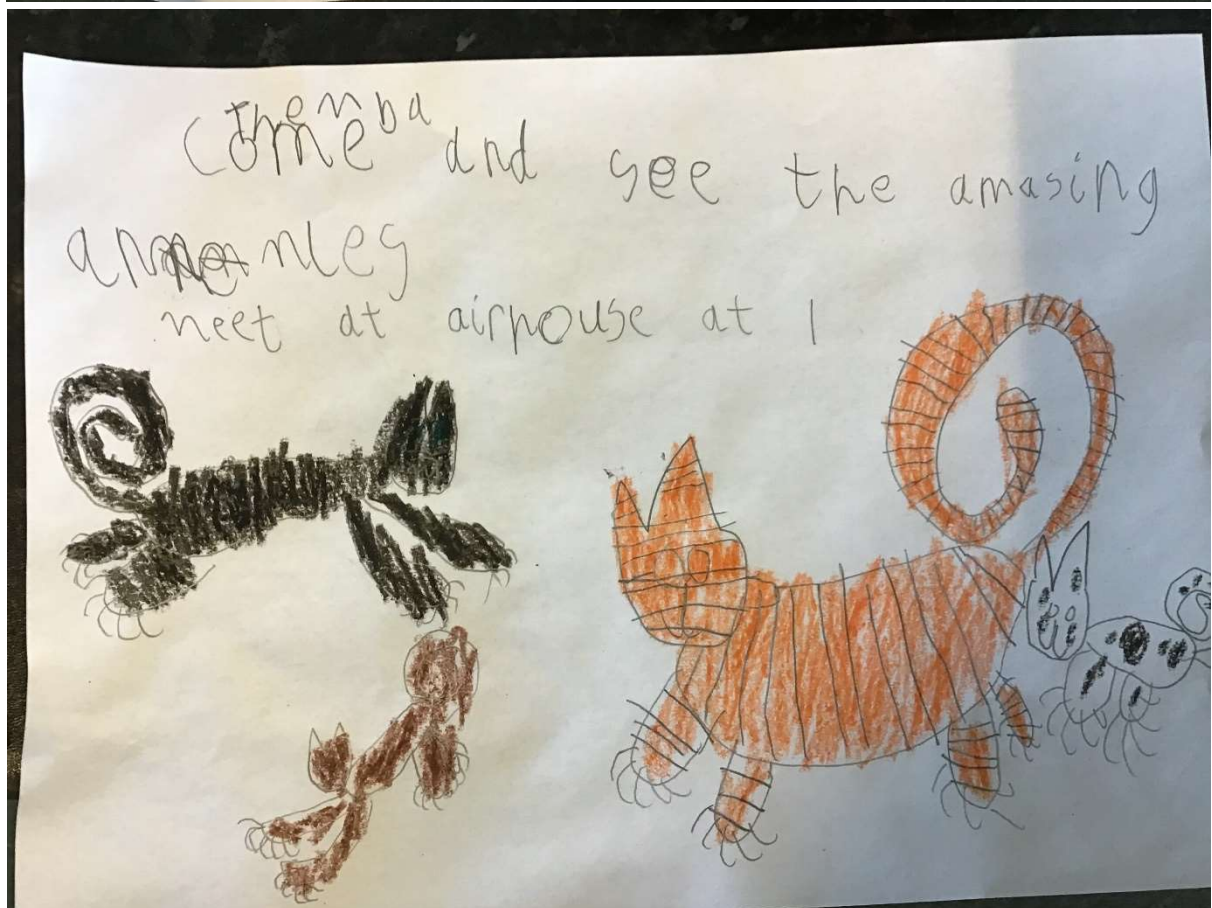

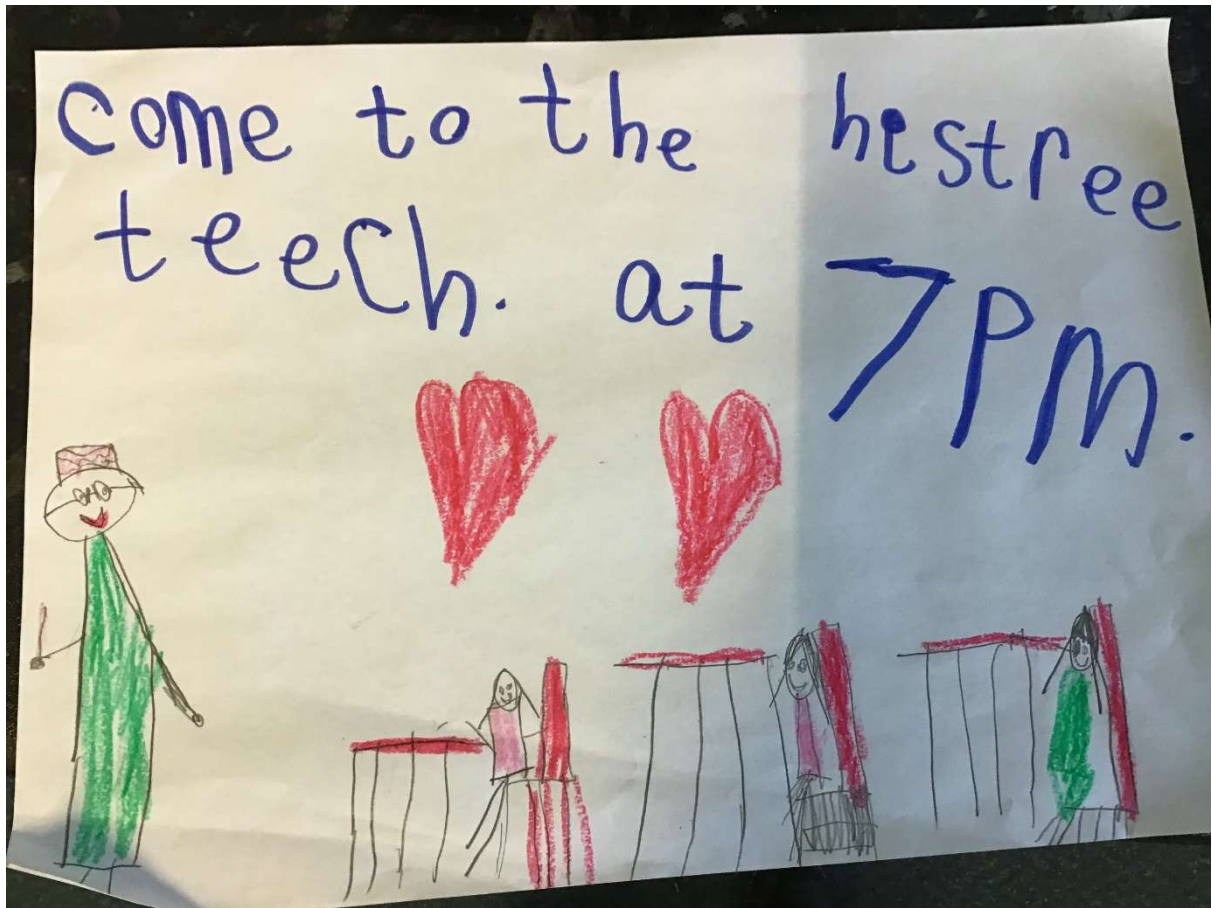

We created the cat from the story using 2D shapes during independent learning.

We had a P4C lesson to discuss whether technology was good or bad for us. We thought of pros and cons!

We completed a star fine motor challenge during independent learning.

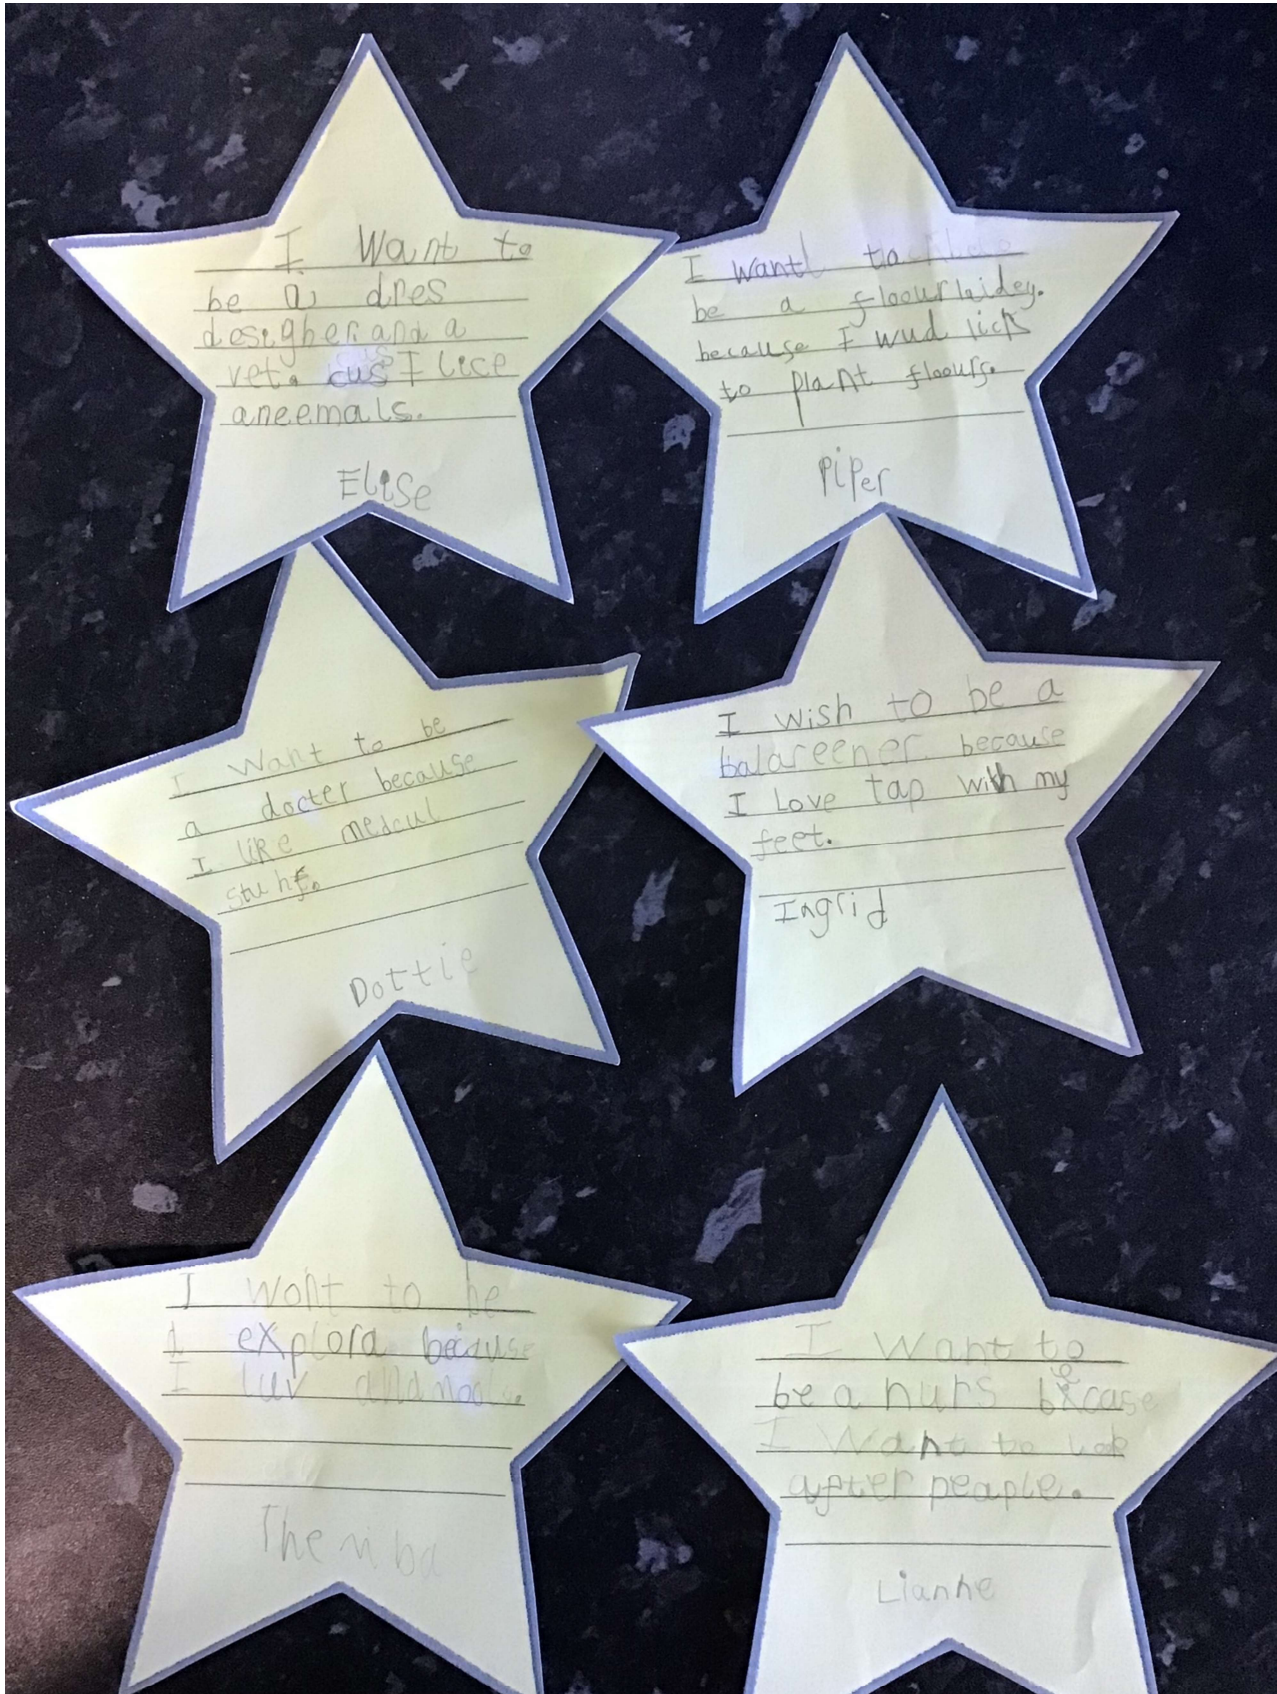

We loved the flyer that Rocket made in the story so we decided to make our own flyers based on our own interests.

Come and see the
rabbits in my garden
meet at 7 p.m.

Rocket wants to be an astronaut when she is older. We talked about what we want to be when we are older including doctors, nurses, teachers, footballers, dancers, clothes designers and florist!

We made our own meteor showers by rolling marbles through paint!
