June

Saturday 27
(1pm 4pm):
Lydgfest!

Playground Improvements

As you will be aware, our recent equipment installation is now complete and being happily used in our F2 playground, providing a significant addition to the outdoor resources enjoyed by the children (many thanks once again to LISA for their support in progressing this development). Please could we ask that parents and carers do not allow their child to access F2 outdoor equipment and resources at drop-off and pick-up at the start and end of each day, however, in order to minimise disruption and ensure the children's safety at these busy times. Many thanks,

'Lucky Plate' Day - Thursday 21 May

You may recall that the school organises a 'Lucky Plate Day' each term (the last took place in January), in order to encourage pupil take-up of Universal Infant Free School Meals and so take advantage of the meal provision offered here in school. As part of this event, all pupils who opt to eat a school meal on the day itself are able to check the base of their plate (once their dinner has been eaten!), with a prize distributed to pupils who find a winning sticker attached beneath. If your child does not normally eat a hot school dinner, this is a great opportunity to enjoy one as part of this fun competition, as well as to try out our delicious meals and self-service pupil salad bar (with at least 4 fresh salad options on offer each day!)

Spark Book Award Pupil Competition

A reminder that the deadline for Spark Book Award Pupil Competition entries is this coming Monday (18 May), so if your child would like to bring in an entry it is time to get creative (see attachment)!

Sheffield & South Yorkshire Children's University Activity Newsletter

We're excited to announce our Spring 2026 Holiday Activity Newsletter! As usual, Barnsley, Doncaster, Rotherham and Sheffield Children's University centres have come together to publish the Spring 2026 edition, full of activities happening in the Spring half term holidays right across South Yorkshire! It's packed with fun activities – including trails, dance, drama, arts craft, science, technology, coding, engineering, music, sports, climbing, woodland activities, gaming, English and maths support, circus skills, history, and more, so there really is something for everyone!

Click here to download your copy of the Holiday Activity Newsletter:
