LISA Message - a very successful Lydgfest!

Thank you so much to everyone who supported, volunteered and attended Lydgfest on Saturday. As well as being a fantastic community event, we are delighted that altogether over £3,500 was raised through both the event and subsequent online donations! Thank you for your incredible generosity – these funds will allow for further improvements to be made to the school playground and allow LISA to continue to support the school really positively into the new academic year.

Pupil Transition – New Class Visits

As you know, the children were visiting their new classrooms (at the Junior School in the case of our Y2s!) and learning environments yesterday, meeting the staff who will be working with them next academic year, so please have a chat with your child to see what she or he has been up to if you have not already done so!

Annual Report to Parents & Carers

As mentioned in last week's newsletter, you should have received your child's end-of-year annual report via pupil post in your child's bookbag today (Thursday 2 July). We hope that the detailed report for your child is helpful and that it gives you a comprehensive view of your child's engagement and progress in the broadest sense. If you would like any further information please email (via relevant class email) or telephone your child's teacher here at school in order to discuss any aspect of your child's learning or experience, or to ask any questions that you may have.

Y1 Class Assemblies

A reminder that next week brings our second set of Class Assemblies of the coming weeks, those of our Y1 classes. The performances will take place as follows (no tickets are required for either of the assemblies, although we would ask that only two adults attend per child – just come along and enjoy!):

- Class 5 & 6: 2.30pm on Tuesday 7 July, in the Lower Hall
- Class 7 & 8: 2.30pm on Wednesday 8 July, in the Lower Hall

Please note that similarly to such important events in most schools, photography is permitted to capture your child's special performance for your own family memories only and should not be shared more broadly.

NHS Child Immunisation Message

Sheffield Children's Hospital is aware that some children and young people may not be up to date with the current national immunisation programme. The School Age Immunisation Service (SAIS) provides regular drop-in clinics across Sheffield, offering parents and carers a convenient way to access vaccinations. Further information about the service, including clinic locations and times, can be found here:

<https://www.sheffieldchildrens.nhs.uk/services/school-nursing/school-age-immunisation-service/>

Please return reading books by Monday 6 July

During the final two weeks of term we will be auditing our reading books so that we can repair and restock ready for next academic year. Please therefore can pupils bring all reading books and library books back to school this coming Monday (6 July) for collection by your class teacher. Many thanks.

July

F2 End of
Year Class
Assembly

Thursday 2
