### Hold the Date – Lydifest 2026!

We can now confirm that Lydifest, the school's Summer Fair, will take place here at the school from 1pm – 4pm on Saturday 27 June as part of this year's community Crosspool Festival events. More information will follow in due course, but in the meantime please hold the date!

### Sheffield City Council Health Message

In light of the recent cases of invasive meningococcal disease reported in Kent, Sheffield public health services are reminding parents and carers about the importance of ensuring children and young people are up to date with routine vaccinations.

In particular, we would like to highlight the importance of the 6-in-1 (DTaP/IPV/Hib/HepB) vaccine and the MenB (meningococcal B) vaccine, which are offered across several doses in the first 18 months of life. These vaccines provide vital protection against serious illnesses, including meningitis and sepsis. While these are usually given in infancy, children who have missed one or more doses can still catch up.

It also crucial to ensure children are fully vaccinated against measles, as we know the disease continues to circulate in Yorkshire.

If any doses have been missed, they can be caught up by contacting your child's GP practice or by attending a local School Age Immunisation Service (SAIS) drop-in clinic. Further information on clinic locations and times is available here:

### Chag Sameach!

As you may know the Jewish festival of Passover will take place next week from the evening of Wednesday 1 April onwards - a happy Passover to all!

### Headlice

Please could we request that all parents and carers take the opportunity to carefully check their child's hair over the coming holiday, in order to ensure the issue of headlice is as controlled as possible within the school. This is best done with a plastic comb, available from local chemists. Thank you.
