

LYDGATE INFANT SCHOOL

Attendance and Punctuality Policy

(November 2019)

We believe that good attendance and punctuality are vital if children are to attain their full potential as learners. As children start school their patterns and routines quickly become habits. An early intervention programme that establishes good attendance and punctuality habits will benefit the child throughout his/her school life and prevent poor routines developing.

The young child, however, is dependent upon the adults in his/her life to get them to school regularly and on time. Therefore our focus is to establish good habits and work with parents to improve attendance. The school operates within the Local Authority's framework with regard to attendance.

We are therefore committed to a whole school approach towards attendance and punctuality in a partnership relationship with parents/carers.

Aims of the Policy

- Clear procedures encouraging pupils to achieve their maximum potential by attending school regularly.
- Clear procedures encouraging pupils to achieve their maximum potential by arriving at school punctually
- Ensuring parents and pupils are informed about the procedures for attendance and encouraging them to take an active role in promoting good attendance and punctuality
- Ensuring all teachers, non-teaching staff and governors understand the procedures.
- The commitment to allocate resources to support the policy.
- Addressing attendance and inclusion issues in the curriculum.
- Recognising and rewarding pupils attendance through appropriate reward structures within the school

Targets

Our attendance target for 2019 - 2020 is 96.6%

The law

The 1996 Education Act requires that:

- Parents must ensure that children of compulsory school age receive a suitable full-time education by regular attendance at school or otherwise.
- The LA must provide school places to parents who wish their children to be educated at school.
- The school must complete attendance registers at the beginning of the morning session and during the afternoon session.
- The school must report to the LA pupils who fail to attend regularly or are absent for more than ten days without explanation.

- The LA has a duty to ensure that parents fulfil their legal responsibilities.
- Failure by parents to ensure the regular attendance at school of a registered pupil is an offence punishable by law.

Partnership

The school expects pupils to:

- Attend regularly
- Be punctual
- Be prepared to work

The school expects parents/carers to:

- Ensure pupils attend regularly and arrive on time
- Inform school on the first day for the reason for absence
- Ensure pupils are properly prepared for the school day with correct equipment eg PE kit, library books etc.

- Arrange medical and dental appointments out of school hours wherever possible, and to obtain an Authorised Pass from school if the appointment is unavoidable
- Arrange holidays out of school time wherever possible
- Speak with relevant members of staff if they know of any problem which may prevent their child from attending school

What pupils/parents can expect of school:

- A broad balanced and enriched curriculum that is dependant on regular attendance at school
- Promotion of good attendance and punctuality at school with regular encouragement and rewards

- First day contact in cases in which no absence explanation has been received
- Keeping parents/carers, pupils and staff informed of attendance issues regularly
- Annual certificates for children whose attendance matches or is better than the attendance target for the school as a whole
- Termly attendance reports to all parents/carers whose children have attendance figures of less than 90%
- Information sent to parents regarding the school's policy on family holidays, religious holidays, other circumstances, etc.

Children Missing from Education

The Headteacher is the nominated member of school staff to liaise with the
