

Lydgate Infant School Council Meeting

January

Everyone came to today's meeting, apart from two School Council members who were busy doing something else.

- To start with, we checked that our new School Council members had seen their new photographs on the School Council display, and that everyone remembered how School Council worked.
- School Council then talked about playtimes, and the ways in which we could make sure that we were getting enough exercise at these times. One of the ways that we are trying to do that is by making time for everyone to run each day as part of something called the 'Daily Mile'. This is good fun, although everyone only needs to run as far as they want to.
- We then talked about the Ipads which the school has bought. Everyone has enjoyed using these, and thinks that the activities that you can do on them are good. Some school council members thought that we could perhaps use them more often in class through, so Mr Bromage said that he would talk to teachers about how we could do this.
