

Lydgate Infant School Council Meeting

November

Everyone came to today's meeting. At our meeting, this is what we talked about:

- At the last meeting, we met someone from Sheffield City Council's Parks Department to tell her about our favourite activities in Lydgate Park, and what ideas we had for new things. We also stuck a sticker onto a favourite design for a new climbing frame each, so that a new climbing frame that we all like could be put in the park. The school council at Lydgate Junior School did the same thing.
- We had an email last week telling us that the most popular climbing frame was this one:

- The Parks Departments are going to put this new climbing frame into Lydgate Park in the Spring of 2019, and are also going to fix a new zip-wire so that we can use the zip-wire equipment.
