

# Lydgate Infant School Council Meeting

October

Everyone came to today's meeting, apart from one Y2 Class Representative, who was away. At the meeting, this is what we talked about:

- At the last meeting, we had talked about how someone from Sheffield City Council's Parks Department wanted to come in to meet us to find out about what our favourite activities were in Lydgate Park. This week she came to our meeting, so we told her about our favourite things and ideas we had to make things better. These included:
  - More swings
  - A pirate ship climbing apparatus (with a swimming pool around one person added)
  - Monkey bars
  - A treehouse
  - A new zipwire cord
  - Somewhere to run (not a straight line, but a zigzag or round running track)
  - An obstacle course
- Then, the person from the Parks Department asked us to stick a sticker onto a favourite design for a new climbing frame each. After she has done the same thing down at Lydgate Junior School, the Parks Department are going to try to put our favourite design into the park!
